# IL CLASSICO PER ECCELLENZA INCONTRA IL CONTEMPORANEO

## IL CLASSICO PER ECCELLENZA INCONTRA IL CONTEMPORANEO

Questa collezione è stata creata per proporre coppie di colori chiari e scuri, sia caldi che freddi.

Le superfici della serie accostate creano piacevoli contrasti di bianco e nero, ma possono essere utilizzate anche singolarmente.

Similitudini grafiche nei colori proposti come opposti:  
ARABESCATO - BLACK ANTIQUE

Effect con grafica decisa e colori freddi;

STATUARIETTO - CARNICO

Effect con grafica a vene più fini e colori freddi;

BORGHINI - PORTORO

Effect con grafica più morbida e colori caldi.

Adatta per applicazioni a pavimento e a rivestimento in ambienti trasversali ad ogni stile, in cui far emergere la maestosità senza tempo dei marmi più preziosi. Disponibile nei grandi formati di Marmorea e Marmorea2, recupera anche formati più piccoli 30x30, 15x30, 15x15, 7,3x30 e si arricchisce di decorazioni con grafiche ad intarsio sul formato 30x60. La scelta non convenzionale dei formati unita ad elementi decorativi che rileggono in chiave contemporanea uno dei materiali più nobili, il marmo, rende Prestige una collezione polivalente, in grado di donare una nuova energia agli spazi partendo dalla semplicità. Ambienti residenziali e commerciali leggeri, eleganti e dall'architettura importante in cui si mixano arredi "soft design" con accenti più moderni o vintage.

## DER KLASSIKER PAR EXCELLENCE BEGEGNET DEM ZEITGENÖSSISCHEN

Diese Kollektion wurde geschaffen, um Paare von hellen und dunklen sowohl warmen als auch kalten Farben anzubieten.

Aneinander gereiht bilden die Oberflächen der Serie angenehme Schwarz-Weiß-Kontraste, sie können aber auch einzeln verwendet werden.

Grafische Ähnlichkeiten der Farben werden als Gegensätze vorgeschlagen:

ARABESCATO - BLACK ANTIQUE

Effect mit einer klaren Grafik und kalten Farben;

STATUARIETTO - CARNICO

Effect mit einer Grafik mit feineren Änderungen und kalten Farben;

BORGHINI - PORTORO

Effect mit einer weicherer Grafik und warmen Farben.

Für Anwendungen als Bodenbelag und Wandverkleidungen in Umgebungen in unterschiedlichsten Stilen geeignet, in denen die zeitlose Großartigkeit der kostbarsten Marmorarten zum Ausdruck gebracht wird. Es ist in den großen Formaten von Marmorea und Marmorea2 erhältlich, wird aber auch in den kleineren Formaten 30x30, 15x30, 15x15 und 7,3x30 angeboten und mit den Dekorationen mit Einlegegrafiken im Format 30x60 bereichert.

Die unkonventionelle Wahl der Formate macht Prestige gemeinsam mit den Dekorelementen, die eines der edelsten Materialien, nämlich Marmor, in einem zeitgemäßen Schlüssel neu interpretieren, zu einer vielseitigen Kollektion, die in der Lage ist, den Räumen von der Einfachheit ausgehend neue Energie einzuflößen.

Elegante Wohnräume und Geschäftsräume mit leichter Beanspruchung mit ansehnlicher Architektur, in denen eine Einrichtung mit „Soft Design“ mit moderneren oder Vintage-Akzenten kombiniert wird.

## CLASSIC PAR EXCELLENCE MEETS CONTEMPORARY

This collection has been created to offer pairings of dark and light colours, in both cool and warm tones. The surfaces in the series come together to create pleasant black/white contrasts, but they can also be used individually.

Graphic similarities in the colours proposed as opposites:

ARABESCATO - BLACK ANTIQUE

Effect with sharply defined graphics and cool colours;

STATUARIETTO - CARNICO

Effect with graphics featuring finer veins and cool colours;

BORGHINI - PORTORO

Effect with softer graphics and warm colours.

Suitable for use on floors and walls, in settings that cut right across styles, able to bring out the timeless magnificence of the finest marble. Available in the large Marmorea and Marmorea2 sizes, the collection also comprises the smaller 30x30, 15x30, 15x15 and 7.3x30 sizes, enhanced with inlaid patterns on the 30x60 size. The unconventional size options, combined with decorative elements that offer a contemporary interpretation of such a noble material as marble, make Prestige a particularly versatile collection, able to bring a fresh shot of energy to spaces, starting out from a simple approach.

Residential and light, elegant commercial settings with striking architecture, in which "soft design" furnishings mix with more modern or vintage accents.

## LE CLASSIQUE PAR EXCELLENCE RENCONTRE LE CONTEMPORAIN

Cette collection a été réalisée pour proposer des couples de couleurs claires et foncées, aussi bien chaudes que froides. Les surfaces de la série associées produisent d'agréables contrastes de blanc et de noir, mais peuvent être utilisées aussi individuellement.

Similitudes graphiques dans les couleurs proposées comme opposées:

ARABESCATO - BLACK ANTIQUE

Effect avec un graphisme marqué et des couleurs froides;

STATUARIETTO - CARNICO

Effect avec un graphisme à veines plus fines et des couleurs froides;

BORGHINI - PORTORO

Effect avec un graphisme plus doux et des couleurs chaudes.

Adaptée à des applications aux sols et aux murs dans des espaces transversaux à chaque style, dans lesquels la majesté atemporelle des marbres les plus précieux transparaît. Disponible dans les grands formats de Marmorea et Marmorea2, elle récupère aussi les formats plus petits 30x30, 15x30, 15x15, 7,3x30 et s'enrichit de décorations avec des graphismes à marqueterie sur le format 30x60. Le choix non conventionnel des formats allié à des éléments décoratifs qui revisitent, dans une optique contemporaine, l'un des matériaux les plus nobles, le marbre, fait de Prestige une collection polyvalente, en mesure de conférer une énergie nouvelle aux espaces, en commençant par la simplicité. Des environnements résidentiels et commerciaux légers, élégants et à l'architecture importante où se mêlent des ameublements "soft design" aux accents plus modernes ou vintage.
