# BERGSTONE

WildScenary

L'incontro con la luce, l'eco e la bellezza primordiale.  
Qui, dove ha origine la naturale compostezza. La rugiada, la pietra, il respiro delle cime.  
Bergstone è la collezione effetto pietra ispirata all'incontro tra i colori della montagna e del cielo.

The meeting with light, echo and primordial beauty.  
Here, where natural composure originates. The dew, the stone, the breath of the peaks.  
Bergstone is a stone effect collection inspired by the colors of the mountain meeting with colours of the sky.
