

DUO & PIXEL

DynamicMatch

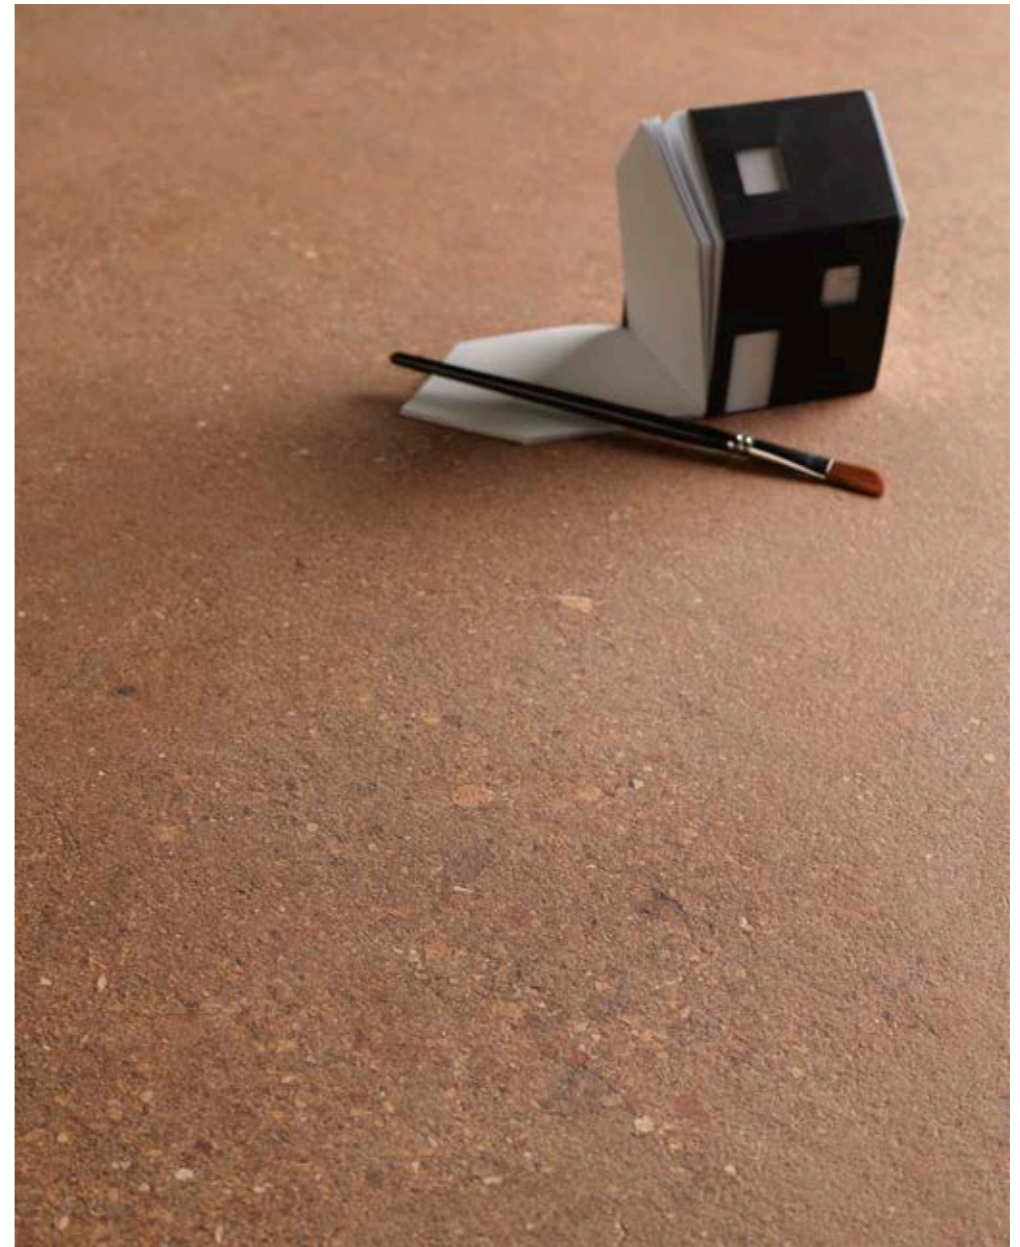

Duo è la collezione che nasce dalla simmetria degli elementi nello spazio.
È un rimando all'idea di intero che nasce e può svilupparsi con l'abbinamento dinamico del cemento e dell'argilla.
Un insieme giocoso e di possibili combinazioni tra colori e formati.

Duo is the collection that comes from the symmetry of elements in space.
It is a reference to the idea of the whole that is born and can develop with the dynamic combination of cement and clay.
A playful set of possible combinations of colours and formats.
