### Large surfaces and residential spaces. New elements for living.

Six formats in a six-millimetre thickness: large but thin, exuberant yet at the same time elegant and sophisticated, MetalXXL, thanks to its two surfaces, inspires creativity in contemporary living.

### Larges surfaces et espaces résidentiels. De nouveaux éléments pour l'habitat.

Six formats et six millimètres d'épaisseur : grande mais mince, exubérante mais élégante et raffinée à la fois, MetalXXL, de par ses deux finitions, donne toute sa place à la créativité dans l'habitat contemporain.

### Großzügige Oberflächen und Wohnbereiche. Neue Elemente für modernes Wohnen.

Sechs Formate und sechs Millimeter Dicke: Großflächig, aber dünn; verspielt, aber gleichzeitig elegant. MetalXXL bietet mit seinen zwei Oberflächen individuelle Freiheit für moderne Gestaltungskonzepte.

### Superficies amplias y espacios residenciales. Nuevos elementos para la vivienda.

Seis formatos y seis milímetros de espesor: grande pero fina, exuberante pero al mismo tiempo elegante y refinada, con sus dos superficies MetalXXL permite dar espacio a la creatividad en la vivienda contemporánea.

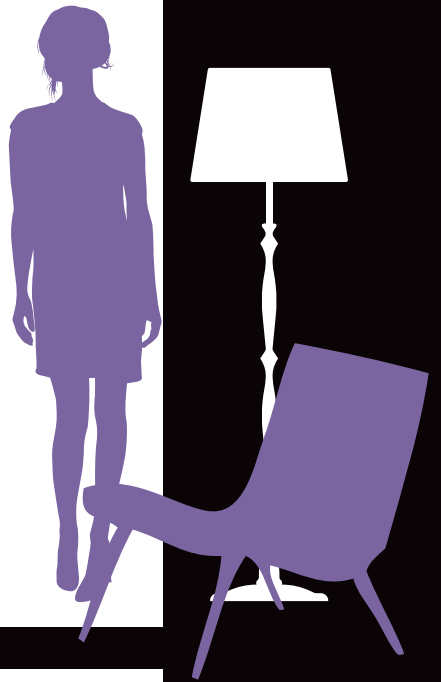

### Обширные площади и жилые пространства. Новые элементы жилья.

Шесть форматов и шестимиллиметровая толщина: две версии MetalXXL, большие и, одновременно с этим, тонкие, яркие и, вместе с тем, элегантные и утонченные, дарят возможность свободного выражения творческого духа в современном жилище.

### 大型面积和住宅空间 崭新的生活元素

六款不同面积，只有六毫米厚度：大型而纤薄，极为宽阔却也流露优雅和细致感，这 MetalXXL 特大金属瓷砖系列备有两款瓷砖面，为当代生活带来创作空间

**Ispirazioni metalliche, eleganti colori neutri.  
Stile urbano pensato in grande.**

La grandezza di una superficie si misura anche dalla sua eleganza: HILITE METAL XXL propone al progetto di interni ricercati colori neutri, impreziositi dalle variazioni luminose della finitura Chrome, come fossero vere e proprie lastre di metallo.

**Metallic inspirations, elegant neutral colours. Urban style in a big way.**

The size of a surface is also measured in elegance: METAL XXL proposes sophisticated neutral hues enhanced by the variations in luminosity of Chrome for interior designs, as if they were real metal plates.

**Inspirations métalliques, couleurs neutres et élégantes.  
Un style urbain pensé en grand.**

La grandeur d'une surface se mesure aussi par son élégance : METAL XXL propose au projet d'architecture d'intérieur des couleurs neutres recherchées, que viennent enrichir les variations lumineuses de la finition Chrome, donnant ainsi la sensation de véritables dalles de métal.

**Metallische Anmutung, elegante Neutralfarben. Urbaner Stil in großem Rahmen.**

Die Größe einer Fläche misst sich auch in ihrer Eleganz: METAL XXL bietet erlesene Neutraltöne, bereichert mit dem changierenden Schimmer der Oberfläche Chrome für raffinierte Raumkonzepte in der Optik echter Metallplatten.

**Inspiraciones metálicas, elegantes colores neutros.  
Estilo urbano pensado a lo grande.**

La grandezza de una superficie se mide también por su elegancia: HILITE METAL XXL propone al proyecto de interiores refinados colores neutros embellecidos con variaciones luminosas del acabado Chrome, como si fueran verdaderas y reales placas de metal.

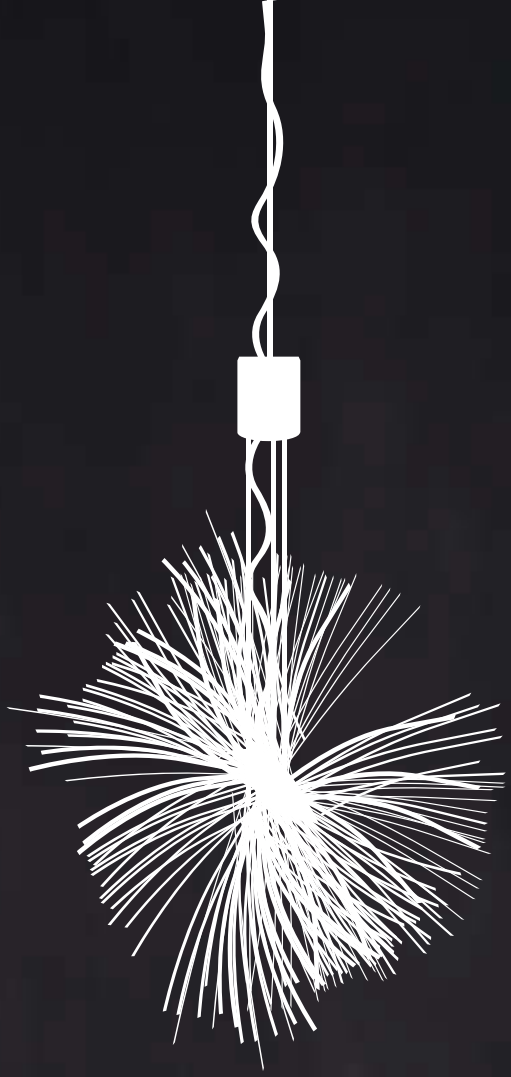

**Вдохновляющий металл, элегантные нейтральные расцветки.  
Городской стиль в широком масштабе.**

Элегантность является неотъемлемой чертой величественной красоты поверхности: HILITE METAL XXL украсит интерьер изысканными нейтральными тонами, облагороженными блестящими отливками благодаря отделке Chrome, создающей иллюзию настоящих металлических плит.

**金属感的设计，典雅的中性色调  
广阔的都市品味**

瓷砖面的大面积同时也能塑造优雅感: HILITE METAL XXL特大金属瓷砖系列的镀铬设计散发的明亮变化, 使产品的中性色调于室内更显美感, 仿如真正的金属版面一样

## Atmosfere metropolitane e riflessi luminosi. Scoprire nei dettagli i codici della bellezza.

Grandi superfici arricchite da piccoli dettagli, così le lastre, nelle due versioni Chrome e Metal, perfette per essere posate a rivestimento e a pavimento in ambienti interni e a rivestimento anche in spazi esterni, sanno offrire al progetto d'architettura un design contemporaneo e uno stile attuale, innovativo e altamente personalizzabile.

### Metropolitan airs and reflections of light. Discovering the secret of beauty in details.

Large surfaces enriched by small details, the Chrome and Metal versions are perfect for being installed on walls and floors indoors and on exterior walls, offering any architectural project a contemporary design and trendy style that is both innovative and can be easily personalised.

### Ambiances métropolitaines et reflets lumineux. Découvrir les codes de la beauté dans les détails.

De larges surfaces enrichies par de petits détails : les dalles des deux versions Chrome et Metal, convenant parfaitement à la pose sur les murs et les sols d'espaces intérieurs et extérieurs, offrent ainsi au projet d'architecture un design contemporain et un style actuel, innovant et hautement personnalisable.

### Großstadtatmosphäre und leuchtende Reflexe. Die Gesetze der Schönheit im Detail entdecken.

Die Platten in beiden Versionen Chrome und Metal schaffen großzügige Flächen mit raffinierten kleinen Details. Perfekt als Boden- oder Wandbelag in Innenräumen, eignen sie sich auch zur Bekleidung von Wänden im Außenbereich. Durch ihr innovatives Design ermöglichen sie eine anspruchsvolle Umsetzung moderner Bauprojekte und eröffnen der individuellen Gestaltung neue Spielräume.

### Atmósferas metropolitanas y reflejos luminosos. Descubrir en los detalles los códigos de la belleza.

Grandes superficies enriquecidas con pequeños detalles, así son las losas en las dos versiones Chrome y Metal, perfectas para ser colocadas tanto en revestimiento como en pavimento en ambientes interiores y en revestimiento también en espacios exteriores, sabiendo ofrecer al proyecto de arquitectura un diseño contemporáneo y un estilo actual, innovador y altamente personalizable.

### Атмосфера мегаполиса и яркие блики. Откройте для себя все тайны кода красоты.

Обширные поверхности, декорированные мелкими деталями: две версии плиток Chrome и Metal идеально подходят для стеновой и напольной отделки внутренних помещений, а также наружного пространства и обеспечивают любому архитектурному проекту современный дизайн и актуальный, инновационный и ярко индивидуальный стиль.

### 大都会氛围和光影折射 深入发掘美的奥秘

大型的瓷砖面具备相当精巧细致的设计，当中的镀铬和金属款式最适合使用于室内的墙面和地面，以及建筑物的外墙，能为建筑物赋予现代化的设计，以及富有高度个人特色和革新性的时尚风格
