## MIND THE GAP!

La visione dei tetti più belli di alcune città come punto di partenza e spunto di riflessione di questo progetto.

Mind the Gap! Diviene un motto divertente che sta a simboleggiare una dimensione che siamo abituati a guardare alzando lo sguardo.

Una dimensione affascinante, fatta di tegole e di colori in toni diversi.

The vision of the most beautiful roofs in some cities as a starting point and food for thought of this project.

Mind the Gap! It becomes a fun motto, which transforms into a natural gesture, looking up. A fascinating dimension made of what resemble roof tiles in different tones.
